ABOUT SUSAN G KOMEN® AND KOMEN MICHIGAN

Susan G. Komen is the world's largest breast cancer organization, funding more breast cancer research than any other nonprofit outside of the U.S. government while providing real-time help to those facing the disease. Komen has set a Bold Goal to reduce the current number of breast cancer deaths by 50 percent in the U.S. by 2026. Since its founding in 1982, Komen has funded more than \$956 million in research and provided more than \$2.1 billion in funding to screening, education, treatment and psychosocial support programs. Komen has worked in more than 60 countries worldwide. Komen was founded by Nancy G. Brinker, who promised her sister, Susan G. Komen, that she would end the disease that claimed Suzy's life. Komen Michigan has invested nearly \$13 million in community breast health programs in 24 counties and has helped contribute to the more than \$988 million invested globally in research.

FUNDING PRIORITIES

Komen Michigan supports breast cancer projects that address the funding priorities below, which were selected based on data from our current Community Profile Report, found on our website at komenmichigan.org.

The funding priority areas are listed below **in order of importance**:

1. Screening and Diagnostic

Evidence-based programs that provide access and reduce barriers to breast cancer screening and/or diagnostic services. Example programs include the provision of free or low-cost screening and diagnostic services (e.g., clinical breast exams, screening mammograms, diagnostic mammograms, ultrasound, MRI, biopsies), mobile mammography, transportation assistance, expansion of clinical hours and copay/deductible assistance. Based on findings from the Community Profile, these projects should target rural, low income, uninsured/underinsured, Hispanic/Latina, and (or) African American/Black individuals residing in Berrien, Cass, Jackson, Kent, Livingston, Montcalm, Muskegon, Ottawa, and Van Buren counties.

Applicant programs should include as many of the following elements as possible/applicable:

- Strong outreach component to serve rarely and never screened women
- Plans to connect those who qualify to existing programs like Breast and Cervical Cancer Control and Navigation Program (BCCCNP) and Healthy Michigan Plan.
- Education about personal and inherited risk; informing a decision to get screened according to individual risk
- Individual needs assessment/distress screening to identify any barriers to moving through the continuum of care following initial screening or diagnostic test
- Verification of completion of screening each individual
- Provide further diagnostics navigation as necessary
- Provision of navigation treatment options where applicable
- Community-based services/programs aiming to serve underserved populations:
 - African Americans (Berrien, Jackson, Muskegon counties)
 - Hispanic/Latinos (Kent, Ottawa, Van Buren counties)
 - Rural counties (Cass, Montcalm, Livingston counties)
 - Low-income populations
 - Uninsured or underinsured populations
 - High-risk persons who do not qualify for BCCCNP
- Plans to address any potential barriers to access of the program's resources, events, appointments, or care such as transportation, language, financial assistance, food access, childcare, free or low-cost services.
- Demonstration of potential for sustainability and self-sufficiency without significant grant funding.

2. Breast Cancer Education and Outreach

Projects that provide evidence-based and culturally relevant breast cancer education in one-on-one and group settings. Projects must be designed to result in documented age-appropriate, breast cancer action (e.g., getting a screening mammogram, obtaining recommended follow-up after an abnormal mammogram). Based on findings from the Community Profile, these projects should target rural, low income, uninsured/underinsured, Hispanic/Latina, and (or) African

American/Black individuals residing in Berrien, Cass, Jackson, Kent, Livingston, Montcalm, Muskegon, Ottawa, and Van Buren counties.

Breast cancer education projects should include Komen's breast self-awareness messages, if appropriate, based on the need, audience and purpose of the educational project.

Projects must provide evidence of linkage to local breast cancer services and include documented follow up with participants. Health fairs, conferences, and mass media campaigns are not evidence-based interventions and will not be accepted.

Applicant programs should include the following elements:

- Culturally appropriate education to accommodate target populations' needs
- Education about personal and inherited risk informing a decision to get screened according to individual risk
- Community-based outreach aiming to serve underserved populations:
 - African Americans (Berrien, Jackson, Muskegon)
 - Hispanic/Latinos (Kent, Ottawa, Van Buren)
 - Rural counties (Cass, Montcalm, Livingston)
 - Low-income populations
 - Uninsured or underinsured populations
 - High-risk persons who do not qualify for BCCCNP
- Plans to address any potential barriers to access of the program's resources, events, appointments, or care such as transportation, language, financial assistance, childcare, free or low-cost services.
- Demonstration of potential for sustainability and self-sufficiency without significant grant funding.

3. Survivorship Programs

Development of new or strengthening of existing of evidence-based survivorship programs that address life after cancer diagnosis. Programs must include lifestyle interventions, specific to breast cancer survivors, which reduce risk of a late stage cancer recurrence, thereby reducing mortality rates. These programs should place an emphasis on social and emotional wellbeing, wellness programs, and lifestyle intervention strategies (e.g. follow up care, diet and exercise, financial health). Programs must address the target communities and counties identified within the Komen Michigan Community Profile: Berrien, Cass, Jackson, Kent, Livingston, Montcalm, Muskegon, Ottawa, and Van Buren counties.

Applicant programs should include the following elements:

- Culturally appropriate programs to accommodate target populations' needs
- Community-based outreach aiming to serve underserved populations:
 - African Americans (Berrien, Jackson, Muskegon)
 - Hispanic/Latinos (Kent, Ottawa, Van Buren)
 - Rural counties (Cass, Montcalm, Livingston)
 - Low-income populations
 - Uninsured or underinsured populations
 - High-risk persons who do not qualify for BCCCNP

-
- Plans to address any potential barriers to access of the program's resources, events, appointments, or care such as transportation, language, financial assistance, childcare, free or low-cost services.
 - Demonstration of potential for sustainability and self-sufficiency without significant grant funding.

Examples of successful projects include those that follow the [Commission on Cancer \(CoC\)'s Cancer Program Standards](#) which result in:

- An increase in breast cancer action due to knowledge gained;
- An increase in the number of "never screened" women getting breast cancer screening;
- A reduction in the number of women "lost to follow-up,"
- A reduction in time from abnormal screening to diagnostic procedures;
- A reduction in time from diagnostic resolution to treatment;
- An increase in treatment compliance

Applicants may request funding up to \$50,000 (combined direct and indirect costs) for one year. All requested costs must be directly attributable to the project, provide an estimated cost calculation and include a brief justification explaining why the costs are necessary to achieve project objectives:

Grantee will ensure that Komen will have the same audit rights for records of any Collaborating Organization that receives Grant Funds.

7. **Default and Early Termination.**

(A) If either party should fail to perform or be in breach of any of the terms, conditions, agreements, covenants, representations or warranties contained in this Agreement, or anticipatorily breach this Agreement, and such default is not curable, or if such default is curable but remains uncured for a period of 30 days after written notice thereof has been given to the defaulting party, the other party, at its sole election, may immediately terminate this Agreement by written notice thereof to the defaulting party.

(B) Notwithstanding the provisions of Section 7(A), Komen may terminate this Agreement immediately due to the occurrence of any one or more of the following events: (i) Grantee implements Project changes without Komen's prior approval, as required under the "Notifications" Section of the Agreement; (ii) Grantee does not maintain its status as a governmental organization described in Section 170(c)(1) or a nonprofit organization described in Section 501(c)(3) non-profit, tax-exempt status with the Internal Revenue Service; (iii) the Project is not conducted in conformance with applicable laws or, if applicable, any approvals, licenses or certifications required to conduct the Project are not obtained or are suspended or revoked; (iv) Grantee commits a willful breach of this Agreement or Grantee or any Collaborating Organization commits an act of gross negligence or willful misconduct in connection with the Project; (v) Komen has a reasonable good faith basis to believe that Grantee or any of its or its Collaborating Organization's key employees, directors, officers or agents has committed fraud or any other financial or administrative impropriety; or (vi) Grantee or any Collaborating Organization is debarred from the receipt of federal or state funding.

(C) In the event of an early termination due to breach by Grantee under Section 7(A) or an occurrence under Section 7(B), Komen will have no further obligation to provide funding hereunder, and Grantee immediately will (i) provide Komen with the Final Report due hereunder, which will include all required information available as of the termination date; (ii) reimburse Komen for the full amount of Grant Funds (including any accrued interest) that have been expended in connection with and subsequent to the breach or any of the above occurrences, and (iii) immediately refund all unspent Grant Funds (including any accrued interest) as of the termination date.

(D) Notwithstanding the provisions of Sections 7(A), 7(B) and 7(C), Komen may terminate the Agreement immediately and receive full reimbursement of the latest disbursement of Grant Funds plus any additional unspent Grant Funds (including any accrued interest) in the event Komen does not receive a Reporting Requirement when due and/or such Reporting Requirement does not contain all the required information and/or sufficient progress has not been made with respect to the Project as determined by Komen in its sole discretion.

(E) The provisions of this Section 7 will not preclude Komen from seeking any other remedies that may be available under this Agreement and applicable law.

8. INDEMNITY. AS BETWEEN THE PARTIES, GRANTEE ACKNOWLEDGES THAT IT IS SOLELY RESPONSIBLE FOR ANY LIABILITIES THAT MAY ARISE IN CONNECTION WITH THE PROJECT. TO THE EXTENT NOT PROHIBITED UNDER THE APPLICABLE LAWS THAT GOVERN GRANTEE, GRANTEE AGREES TO INDEMNIFY, DEFEND AND HOLD KOMEN AND KOMEN NATIONAL HARMLESS FROM AND AGAINST ANY AND ALL COSTS, LOSSES OR EXPENSES, INCLUDING REASONABLE ATTORNEYS' FEES, THAT KOMEN MAY INCUR BY REASON OF GRANTEE'S OR ANY COLLABORATING ORGANIZATION'S NEGLIGENCE OR MISCONDUCT, OMISSION OR BREACH OF ANY OF THE PROVISIONS OF THIS AGREEMENT, OR BY REASON OF ANY THIRD-PARTY CLAIM OR SUIT ARISING OUT OF OR IN CONNECTION WITH GRANTEE'S PERFORMANCE OR FAILURE TO PERFORM PURSUANT TO THIS AGREEMENT.

9. **Insurance.** Grantee agrees to maintain and will cause any Collaborating Organizations to maintain the following insurance during the term of this Agreement:

(A) commercial general liability insurance with combined limits of not less than \$1,000,000.00 per occurrence and \$2,000,000.00 in the aggregate, which covers liability for bodily injury, property damage, death and advertising injury (including reasonable attorneys' fees);

(B) workers' compensation insurance in the amount required by law of the state(s) in which workers are located and employers' liability insurance with limits of not less than \$1,000,000.00;

(C) to the extent medical services are provided, medical malpractice coverage with combined limits of not less than \$1,000,000.00 per occurrence and \$3,000,000.00 in the aggregate;

(D) to the extent any transportation services are provided, \$1,000,000.00 combined single limit of automobile liability; and

(E) excess/umbrella insurance, in excess of the coverage in (A) above, with a limit of not less than \$5,000,000.00. Grantee will name Komen and Komen National as Additional Insureds on its commercial general liability policy solely with respect to the Project and any additional policies and riders entered into by Grantee in connection with the Project. Upon execution of this Agreement, Grantee will provide Komen with a certificate of insurance evidencing this coverage by uploading such certificate in the Grant Portal. All insurance required of Grantee will be primary and non-contributory to any insurance Komen may carry.

(F) Notwithstanding the foregoing, should the Grantee maintain a program of self-insurance the Grantee agrees to provide Komen evidence of such general liability coverage.

10. **Dispute Resolution.** In the event of any dispute arising out of this Agreement, the parties shall use good faith efforts to resolve their differences amicably. In the event they are unsuccessful, the parties agree not to commence litigation until attempting to resolve their dispute through mediation. Either party may initiate the mediation process with 30 days' prior written notice to the other party. The dispute will be submitted to mediation in Grand Rapids, Michigan. Costs of mediation will be borne equally by the parties. Mediation of the dispute must be completed within 15 days of commencement, unless the parties extend the time by mutual agreement or unless the mediator declares the parties to be at an impasse. Notwithstanding the above, in the event that either party believes that immediate injunctive relief is required to protect its intellectual property or there is a violation of law, such party may invoke the immediate powers of the appropriate court of law without the requirement to first mediate the dispute.

11. **Non-endorsement.** It is expressly agreed and understood by the parties that the Grant does not constitute an endorsement by Komen of any entity, organization, company or individual, nor the products, actions, behavior, or conduct of any entity, organization, company or individual, and any negligent or intentional misrepresentation by Grantee or any Collaborating Organization to the contrary, in any context and in any forum, will constitute a material breach of this Agreement, and the same will be grounds for immediate termination of this Agreement by Komen. In the event of any such misrepresentation, Komen may require Grantee or any pertinent Collaborating Organization to publicly acknowledge the misrepresentation in a like forum in which the misrepresentation was made. It is agreed that in the event of a breach of this provision, damages may not be an adequate remedy, and Komen will be entitled to whatever other remedies are available under applicable law.

12. **Relationship of Parties; No Guarantee of Additional Support.** The nature of this Agreement is a funding agreement, and no employment, partnership, joint venture or agency relationship is created, implied or deemed to be created pursuant to this Agreement. Grantee accepts the Grant Funds with the understanding that Komen is not obligated to provide Grantee or any Collaborating Organization any additional financial support, or other support, in connection with the Grant, the Agreement or the Project or for any other reason.

13. **Entire Agreement; Amendment; Severability; No Waiver.** This Agreement supersedes any prior oral or written understandings or communications between the parties and constitutes the entire agreement between the parties with respect to the Grant. This Agreement may not be modified, altered, amended or revoked except in writing, duly executed by each of the parties. The provisions of this Agreement are severable so that if any provision is found to be invalid or illegal, that finding will not affect the validity or enforceability of the remaining provisions. Failure of either party to enforce its rights under this Agreement will not constitute a waiver of such rights.

14. **Governing Law and Venue.** This Agreement will be governed by and construed in accordance with the laws of Michigan, without regard to any conflicts of law principles. Any dispute arising out of or in connection with this Agreement that is not resolved under Section 10 will be filed and heard in state or federal courts of Grand Rapids, Michigan, and the parties consent to the exclusive jurisdiction of such courts.

15. **Assignment.** This Agreement is entered into by Komen in reliance upon the qualifications of Grantee. Grantee may not assign or transfer this Agreement, directly or indirectly, by operation of law, change of control or otherwise, without Komen's prior written consent. This Agreement may be assigned by Komen to Komen National or to any other affiliate of Komen National without approval of Grantee, provided that all obligations hereunder are assumed by the assignee.

16. **Notices.** Any notice will be in writing and personally delivered, delivered by facsimile or sent via reputable overnight courier (such as Federal Express) or certified mail, postage prepaid and return receipt requested, addressed to the other party at the address specified below (unless otherwise notified in writing by a party):

If to Komen: **Susan G. Komen Michigan, 2922 Fuller Ave NE Ste 107B, Grand Rapids, MI 49505**

17. **Survival.** The provisions of the "Acknowledgments and Benefits" Section of the Agreement and Sections 3, 4, 6, 7, 8, 10, 13, 14, 16 and 17 will forever survive termination of this Agreement.

18. **Counterparts.** This Agreement may be executed in any number of counterparts, each of which will be deemed an original and all of which together will constitute one and the same agreement.
